## SSO IN THE COMMUNITY

As part of the world premiere of Jason Noble's new piece, the SSO is thrilled to announce a 4-day long composer residency that will bring Mr. Noble into local schools from April 17-20 to work with students and give them valuable insight on life as a professional composer, and the choices that a composer makes when creating a new piece of music. The SSO is grateful for the support of the SOCAN Foundation in making this residency possible.

Look for him in a school near you, or contact us to find out if your school is already involved (or would like to be)!
